

Application for Enrolment

Primary School

Families wishing to enrol their child(ren) in Margaret River Montessori Primary School must complete an Application for Enrolment (one per child). For your application to be processed all accompanying documentation listed under Application Submission must be provided and the Application Fee paid. Please read the "Enrolling in Margaret River Montessori School" booklet for more information.

Once you have submitted your application, you will receive confirmation via email that your application has been receipted. **This is not an indication that the application has been successful OR confirmation of your child's placement.**

All applicants are added to the waitlist for their requested start year/term. Whilst you are on the waitlist, we will contact you from time to time to keep our waitlist current. If we are unable to contact you, we may place your application on hold and remove your application from the waitlist. Please keep our Enrolments Officer informed of any changes to your contact details.

Enrolment Criteria

Montessori Primary School Education begins at 3 years of age and most children are admitted soon after their third birthday. Children that are not fully vaccinated and are not on an approved catchup schedule or do not hold an exemption cannot start Junior Primary until PrePrimary age. If your child is offered a place at 3 years of age but you choose to delay entry, we cannot guarantee a place will be available at your requested start date.

Opportunities for admission in other age groups will depend on place availability.

We assess availability of placements based on balancing out ages, genders and needs in each class. From time to time, we may decide to leave places open to enable the School to enrol priority applicants that may apply in the future.

All applications for enrolment are prioritised according to the following:

- Siblings of current students
- Attendance at Bush Babes Playgroup
- Students from other Montessori schools
- An intention to complete all primary and secondary education at Margaret River Montessori
- Shared values and commitment to Montessori education
- Willingness to be involved in our school community
- Educational needs of your child and our capacity to meet those needs
- Application date

The School enrolls students who will benefit from a Montessori education at the School and from whom the School will benefit by their enrolment.

Enrolment offers are made at the discretion of the Principal.
