*passionate,
kindness,
resilience*

"My dream for our children here at Margaret River Montessori School is that each child becomes the very best version of themselves and embraces and respects their own individuality.

I am very passionate about the Montessori philosophy and I aim to be a positive role model for our children to promote kindness, build resilience and to encourage a lifelong love of learning.

I believe a strong and trusting relationship between the students and their educators plays a very important part in their learning journey. Here at Margaret River Montessori School we have a rich and inspiring environment and a team of dedicated and passionate staff that it is an absolute joy to be a part of as an Education Assistant".

"The greatest gift we can give our children are the roots of responsibility and the wings of independence." Maria Montessori.
