Successful candidates will be notified by Friday, 31 October 2025.
Scholarships set to commence in Term 1, 2026.

Margaret River Montessori School is delighted to announce that we are now accepting applications for a scholarship program set to commence in Term 1, 2026, for our Adolescent Program.

Our Scholarship Program is designed to provide support to students and families who may face substantial financial barriers to accessing or continuing a Montessori secondary education. In offering scholarships, MRMS seeks students who exhibit enthusiasm in their studies, demonstrate resilience in overcoming challenges, excel in their areas of strength, and consistently contribute positively to school dynamics both academically and socially.

Scholarships are available to both current students, spanning from Year 7 to Year 12, and those applying to the school for 2026 entry. This includes students transitioning into or entering our Adolescent Program as Year 7s in 2026. Applicants can apply for any year level and the scholarship will be awarded for up to 3 years. Applicants proceeding in the application process may be invited for an interview.

Please note there is a limited number of scholarships available. Scholarships will be offered within the parameters of School budgetary allowances which may be different year to year. The scholarship will provide a discount on the student's annual tuition fee of up to 50% (the percentage offered remaining fixed for the duration for the scholarship offered). Other fees and charges will be applicable. See our Fee Schedule for more information.

Continued eligibility for the scholarship is contingent upon meeting the selection criteria. If there are concerns regarding the retention of the scholarship, the school will actively engage with the family to address them. The school reserves the right to withdraw a scholarship where the suitability pre-requisites are not ongoingly being met.

All scholarship enquiries and application information remain confidential with the Enrolments Officer and Scholarship Committee having sole knowledge of any scholarships enquired about, applied for and approved.
